

## 2023-24 Summer Competition Key

All players must be registered on Match Centre ([matchcentre.tennis.com.au](http://matchcentre.tennis.com.au)) which is very easy and quick to do. Once you've registered, please complete your **Competitive Player Profile** and then link your profile to your **UTR**. This is a Tennis Australia requirement and therefore mandatory as all scores are entered directly into Match Centre by players.

Once you have your 66333 Tennis Australia number and have linked your Competitive Player Profile to your UTR, please email the Tennis Australia number, together with your name and surname, to [isltajbcomp@gmail.com](mailto:isltajbcomp@gmail.com).
